

Welcome to the June 2025 edition of the [Charlottetown Amateur Radio Club](#) Newsletter! We'll try to keep you up-to-date with what's happening this month and any future events we're planning or are aware of. This newsletter is automatically distributed to club members, prospective future students who have reached out to us in the last year, and other interested amateur operators in the region. If you do not wish to receive these monthly newsletters, let us know and we can remove you from our distribution list. Alternatively, if you are not included on the mailing list, but would like to receive a copy of our newsletter, please reach out to our secretary.

June 2025 Club Meeting - Tuesday night June 3rd, Stratford Town Center

It's here, it's finally here! The best month of the year. 😊 Hopefully, we'll have perfect weather for Field Day.

The June club meeting will be held Tuesday, June 3rd, at the Stratford Town Centre. Start time: 7:00 P.M. As always, everyone is welcome to attend, not just club members. If you're a licensed radio operator and would like to become a member, or you're perhaps interested in becoming licensed and would like to find out more about us and the hobby, then please come and join us. We would love to meet you. For anyone who would like to become a member, membership dues are \$30 for those who are not currently members of the Radio Amateurs of Canada (RAC). For RAC members, it's \$20 for the year. Our students and graduates from the 2024 classes are automatically members of the club for 2025. Our meetings run from 7:00 P.M. to 9:00 P.M. (1900-2100) in the Southport room at the Stratford Town Centre on Shakespeare Drive.

Alongside monthly club reports we usually enjoy an information exchange. This month, Brian VY2BG will be giving a presentation on the process of creating DIY circuit boards.

Field Day - June 28th-29th

This year's [field day](#) is organized by the Summerside Club. If everything goes according to plan, the location will be Belmont Park. We will be finalizing details at the June club meeting so stay tuned for more details.

For anyone who would prefer to stay in Charlottetown, there's usually an event organized by George VY2GF at the Red Cross (29 Paramount Dr).

Canada-Wide Science Fair - June 1st & 5th-6th - Fredericton NB
